Quilted RAVENOL down jacket for men

With overlapped isolation chambers for optimal isolation

High-quality, water-repellant downs

Keeps warm and dry even in cold weather by the use of climaheat™ technology

Elements made of polar fleece under the armpits care for optimal mobility

Light as a feather and hard-wearing by the use of Pertex Quantum® outer material

Heat Seals at the cuffs and the collar, that inclose the warmth

Incorporated pockets with zippers in the side seams, as well as front pocket with zipper

Hood with adjustable drawstring

Sportive fit

Logos: "RAVENOL Motorsport" logo on the right chest and the right sleeve, ADIDAS terrex lettering on the left chest

Material: main material - 100% polyamide, lining - 100% polyamide, cuffs - 84% polyester, 16% elastane, filling - 90% goose downs, 10% feathers, insertion on the trunk - 91% polyester, 9% elastane, contains non-textile parts of animal origin
